Re: Thermo-Technics Air Conditioning, Heating and Refrigeration, Inc. ;
Advisory Opinion Follow-up

Dear Mr. Robinson:

I received your e-mail dated April 27, 2016, seeking more information with respect to the request for an advisory opinion on behalf of Thermo-Technics Air Conditioning, Heating and Refrigeration, Inc. and Raymond Hill, II. Below are the answers to your questions:

1. When did Ray Hill become employed by SPAR?
 - Ray Hill's employment with SPAR began around 2000.
2. When did Thermo-technics Air Conditioning bid on the cooling tower project?
 - Thermo-Technics Air Conditioning, Heating and Refrigeration, Inc. submitted its bid for the cooling tower project on December 28, 2015.
3. When does the contract commence to replace the cooling tower?
 - The work would begin immediately upon award by the purchasing department of the City of Shreveport.
4. What is Raymond Hill II's ownership interest in the company?
 - Thermo-Technics Air Conditioning, Heating and Refrigeration, Inc. is wholly owned by Raymond Hill, II and his wife, Essie Hill.

5. What is the total cost associated with the project?

- Thermo-Technics Air Conditioning, Heating and Refrigeration, Inc.'s bid on the cooling tower project was \$170,755.00, including the base bid and the alternate.

Please do not hesitate to contact me if you require any additional information.

With kind regards, I am

Very truly yours,

John O. Hayter, III
